WE SHAPE SWEETNESS

iki**Fruit**

Our manufacturing partner has been a leading company in producing and selling organic frozen fruit for 20 years. More than **2.500 tons** per year. All the products are analyzed by an **International certified laboratories**.

OUR PRODUCTS

- **Fruit purees**
- **Polpa Exxtra for jam**
- **IQF fruits**
- **Fruit dices**
- **Fruit shells**
- **Varieties of Strawberries**

Fruit purees

Since 2015 our manufacturing partner has been producing a wide range of fruit purees in our factory. Raw materials come mainly from our production chain.

Our food experts manage a brand new factory which produces purees using fresh fruits without added aromas, colourings and preservatives. Purees are packed in 1 kg trays which bear a seal of warranty. Modern technologies keep the flavour of our purees as close as possible to fresh fruits.

Fruit Dices

Fruit dices are suitable for yogurt and jam preparations. The process starts from fresh fruits. Sophisticated machines are used in order to obtain an extremely precise cut. Available sizes 10x10; 12x12; 14x14. Different sizes available on demand.

Fruit Shells

Frozen fruit shells are designed to provide solutions to professionals. Fresh fruits are processed, washed and frozen.

Available fruit shells are: lemon, orange, coconut, peach, green and red apple, pineapple, melon.

Strawberry

Strawberry Chain Strawberry from our nursery which our manufacturing partner has grown and planted about 300 hectares in Italy, Morocco and Poland ensuring the whole control of the supply chain.

Strawberry Senga Sengana, for over 50 years, this intense coloured va-riety has been considered the most aromatic strawberry. It is used for the production of jams and high quality gelato.

The **wild strawberries** with their typical fragrance and subtle aroma, are ideal for high quality jams, decorations and liquors.

Strawberries calibrated for candied fruit, cake decorations and others. We produces calibrated strawberries 10-20, 18-22, 22-26, 15-25, 25-35.

Strawberry dices and frozen for semi-finished products and jams, available or on demand: 7x7, 10x10, 12x12, 14x14.

Selected **halves strawberries**, cut and semi-frozen only for cakes and decorations.

Applications

Fruit yogurt preparations

Fruit dices such as strawberry, mango, kiwi, melon and peach are suitable for yogurt preparations. In our factories we produce around 3.000 tons of dices.

Citrus fruit juices

Lemon, red orange and late Ciaculli tangerine juices are 100% natural and all from Sicily. Once defrosted they are ready to be tasted.

Mixed fruits

Some types of fruit such as banana slices, calibrated strawberries, seedless grape, plum and apricot slices, kiwi slices, blueberry and raspberry are recommended for fruit mixes and fruit salad.

Jams

Some types of fruit such as banana slices, calibrated strawberries, seedless grape, plum and apricot slices, kiwi slices, blueberry and raspberry are recommended for fruit mixes and fruit salad.

Artisanal ice cream

You can make your gelato using IQF fruit or fruit purees. Our wide choice of strawberry can make you distinguish from your competitors.

Cakes

Apple, strawberry and forest berries dices are suitable for Tyrolean Strudel.

Fresh fruit smoothies

You can find fresh smoothies in supermarkets. With our range of fruit you can give free rein to your culinary ability.

Cakes and mousses

Frozen fruit such as forest berries, strawberry halves, kiwis help your fantasy create the most beautiful decorations for cakes.
